

What they said . . .

“Thank you for being with us in Minneapolis for our 3rd annual National Sales Meeting. Your breakout session was very well received by the advisors. Your topic was timely, and the ideas you shared aligned perfectly with our long-term corporate objectives of growing Thrivent Financial through new members (including widows) and deepening relationships with current members.

Anything I can do to help get your message out about assisting widows . . . just let me know! Thanks again for your great contribution to our event!”
